## Staff Updates

### Accreditation

Mr. Gill, Mr. Sherwood, and Ms. Edge reported that the members will need to vote, in favor or opposed, to five (5) institutions' fully accredited statuses through ratification. While the committee was being formed, five (5) institutions completed the necessary obligations required in Indiana code to earn a fully accredited status. In an effort to avoid impeding these institutions' ability to conduct business, they were granted full accreditation with the understanding that the committee would need to vote to ratify their status.

### Activity Report

Staff provided the activity report detailing agency activity and revenue generated. The balances for the Proprietary Education and Career College Student Assurance Funds were provided.

### 2016 Meeting Schedule
